## 1 Introduction

The Wendell Free Library Toolbar for Firefox provides library patrons with direct access to the CWMars catalog, plus the twelve links on the Wendell Free Library home page. This allows patrons to directly search for library materials from any open browser window, without having to first go to the CWMars web site.

## 2 Searching CWMars for library materials

Books and other materials can be searched by author, title, keyword, etc. in any one or all of the Western MA Libraries. Searching can be done with as little as a single click with no need to traverse the CWMars web site. The search box, with dropdown menus for type of search and scope of the search are right on every browser window as part of the Wendell Free Library toolbar.

## 3 Quick Links

There is a "Quick Links" menu, containing these links:

**cwmars** The CWMars home page.

**mass news** Massachusetts newspapers.

**local news** Local news on the Wendell Free Library web site.

**science** Massachusetts science magazines.

**art** Grove Art Online.

**novel list** EBSCOhost.

**wendell weather** Weather Underground for Wendell, MA.

**upcoming events** Wendell Free Library calendar.

**help** Help pages for library patrons.

**Local Schools** Local schools.

**New Books and Music** Listings of new books and music.

**trouble ticket** Open a library computer system trouble ticket.

## 4 Credits

The Wendell Free Library toolbar for FireFox was written by Robert Heller, the proprietor of Deepwoods Software. Robert Heller can be contacted by E-Mail at <mailto:heller@deepsoft.com>.
